SOCIETY SCOOP! Audrey Runnion, one of the nicest and prettiest of Albany's women, will marry Bob Henning, manager of the Bank of America on San Pablo Ave., El Cerrito, on Aug. 7. The wedding will be family-only, but there's a reception planned for the end of August. Lots of their friends who have been match-making like crazy for almost a year are simply delighted.

JUST CALL ME ROBIN—Rex Volheim has some new special equipment which has enabled him to show slides of Ginger's recent wedding on the screen of their television complete with his own father-of-the-bride narration and the actual ceremony on tape. It's lovely, but there's a hilarious bit right in the middle of the vow-taking. Through careful splicing and tricking Virginia, the minister asks her, "Do you, Virginia, etc., etc., etc.?" She says, "Would you repeat that, please?" and the minister begins again. Ginger and Bill, who came home briefly before going to San Diego to live, cracked up when they heard it.

A LOCAL MOTHER was pleased when her teen-aged daughter said she'd like to hear Billy Graham at the Oakland Coliseum. Friday she reminded the daughter that Billy Graham was beginning his series, showing her an advertisement. The daughter's face fell. "Oh, I thought it was Bill Graham of Fillmore West." Oh.

JERRY BLANK called the other night. First he reported that Albany used to have a "cow blast" for fires. For instance, if a fire were in the area of Box 25, the blast would go "BOO, BOO, boo, boo, boo, boo, boo." Everyone went to the box so they could help if necessary. His second item was that they have eliminated all parking at Albany Library in the Solano Avenue project. We looked and it certainly seemed they had. A call to Jim Turner's office, however, brought the information that there will be four green zone parking spots in front of the library. Street work is 40 percent finished and beautification, only five percent. Jim Turner is on vacation. You can see the plans at the Chamber of Commerce office.

VALERIE AND VICTORIA DUNLAP of Talbot Ave., were overjoyed when their puppy, "Wee Drop of Drambuie," took second place at the Puppy Match for Children's Hospital Sunday. Hopefully, more particulars and a picture will be run next issue. Spent most of Sunday at the puppy show, which was a tremendous success.

UNDERSTAND the play, "Play It Again, Sam," now at the Contra Costa Civic Theater is being well received. Wanted to attend opening night, which was a sell-out, but couldn't get in. Lorrene Baum and the thespian of the Capeluto brothers have parts in the production, which runs Friday and Saturday nights.

PIZZA-MAKING isn't all that simple, according to these "contestants" in a pizza contest at the grand opening of Shakey's Pizza at the former Dagna's Market on Solano. Mayor H. F. Call is shown making his pizza with the advice, from left, of Joe Dagna, Chamber of Commerce President Ralph Hill and Chamber Manager Hal Denham.

CELEBRATING the grand opening of Shakey's Pizza at the former Dagna's Market are, left to right, Richard M. Sessions and Milton Sessionss, owners; Jean Dagna; Roy Giffin, general manager; Mrs. Milton Session; and Joe Dagna. The new Albany eating spot has attracted record first week patronage, according to owners and manager.

New Shakey's Pizza Offers Good Food... Good Times

In case you haven't been there yet there is a bunch of fun waiting for you on the southeast corner of Solano and Ramona Avenues. It's the latest addition to Albany—Shakey's Pizza Parlor.

Fun comes in many ways at Shakey's—such as the gastronomical delights offered by the infinite variety of pizzas and drinks, laughs with or at W.C. Fields, Laurel and Hardy, Abbott and Costello, Charlie Chaplin and many other favorites, and the sing along with the banjo and piano every Friday and Saturday night from 9 p.m. to 1 a.m. Dotting the walls of what used to be Dagna's Meats, are many pun-filled signs: "Shakey's pays his taxes with a smile but the government prefers cash;" or "When your yappin about the coffee—remember you may be old and weak yourself some day."

The Shakey's franchise is owned by Dick Sessions of Broomfield, Colo., with the assistance of his father, Milton P. Sessions of Santa Rosa. Roy Giffin, who has managed Shakey's for the 3½ years in Berkeley, now has his hands full with both parlors.

In addition to the already mentioned Shakey extras and a self-playing player piano, Giffin is looking forward to some new programs. Hopefully the barbershop singers who performed at the opening can become a regular Shakey's feature, as will the birthday club for youngsters and the amatuer talent hour for those under 12.

The first week of business brought in almost 4,000 people, said Giffin, adding that much of the business comes from families.

So it all sums up to be a fun-filled corner at Solano and Ramona Avenues. Come and join in.

Sawdust Okay'd For Meat Floors

The passage of Assembly Bill 246 has finally resolved the controversy over the use of sawdust on the floor in meat markets, according to Harold Van Coops, Deputy Health Officer.

The time-honored practice of using sawdust to absorb moisture and provide a non-slip surface in butcher shops and meat coolers received conditional approval from the State legislature: a) The sawdust must be dry, fresh, clean and less than five percent "fines." b) It must be changed daily. c) Floors constructed after 1971 must utilize some non-slip method other than sawdust.

New Bridge Class

Intermediate bridge lessons will start on Aug. 4 at the Albany Senior Center. The class will be taught by Mrs. Dorothy Ennis. Anyone wishing to attend call Beulah Belling at the Center, 526-1601.

Council Supports Saler for Judge

The Albany City Council, Monday night, voted to initiate a public citizens committee striving for the appointment of City Attorney Lawrence D. Saler as judge on the Berkeley-Albany Municipal Court. The decision came after Judge Floyd C. Talbott announced his retirement due to health reasons.

The drive supporting Saler will go straight to California Governor Ronald Reagan with the request the position be filled by an Albany man, and the recommendation that this man be Saler.

"There should be at least one judge from the City of Albany," said Councilman Joseph Carlevaro, adding, "Albany has not had a local representative on the bench since 1958, when Judge Louis Hardy retired."

Councilman Lewis Howell stated, "Larry Saler is the most dedicated and hard working man I've seen in 20 years. He has faced difficult odds and kept plugging. I personally don't know of a better man."

During the Good of the City H. Bernard Johnson of 1021 Solano attempted for 20 minutes to persuade Council to block the construction of a tree planter in front of his apartments. "The planters only serve as a trash can and it will eliminate the only parking place in front of my apartments," said Johnson. Mayor Call and the rest of the Council pointed out that it was impossible to make any changes at this date and that Johnson should have made his intentions known earlier.

Mayor Call mentioned that the Albany City Library has four 20-minute parking places and a bus stop in front of it. This is in opposition to widely circulated rumors around Albany, which say there is no library parking, Call pointed out.

In other action Council referred to the Chief of Police an application for an alcoholic beverage license from the Bottom's Up at 953 San Pablo Avenue. Councilman Carlevaro again expressed concern over the number of night entertainment spots in Albany. "If they wanted to go completely nude there is nothing we could do," said Carlevaro. Council voted to check into the parking at Bottom's Up.

The City Council accepted the deed of property from BART for the land near the BART overpass and Masonic Ave.

On the request of Gerald D. Browne, Council accepted the appointment of Thomas Oakley as Captain and Ryan Rigney as probationary hoseman. Councilman Lewis Howell stated that this will bring the fire department to full strength and cut down on some of the overtime hours.

Council approved the request of City Administrator James Turner, calling for the authorization of payments to Ransome and Co. in the amount of $2,668.05 on Solano Beautification work and $73,456.40 on Solano Improvements. Also approved was $1,801.21 in payment to Bissell and Karn, Inc. and Leong and McDougall. Total payment of claims was $97,291.42. Payment of payroll for the period July 1 to 15 was $44,449.58.

Ordinance No. 71-020, calling for the retainment of bicycles at the police station for three months, was passed on a 4-0 vote.

Reminder To Dog Owners

Just a few days left to get your 1971-72 Dog's License without a penalty.

Annual license fee is $2.50 for male or female dog, and are due and payable during the month of July. Licenses may be obtained at the City Hall in the Treasurer's Office or by mail.

Proof of anti-rabies vaccinationa must be presented, good for the license period, before license will be issued.

All payments received after July 31 are delinquent, and a penalty of $3 will be added.

Telephone Rates Rise in Area

Basic phone bills for Albany-El Cerrito area residence customers increased $1 a month beginning July 23, according to Roger Healy, manager for Pacific Telephone.

One-party-flat-rate residence service was increased from $4.65 to $5.65. Business customers, with one-party measured business service, will pay an additional $2.40 per month, from $5.15 to $7.55.

"Lifeline" service, for persons on low or fixed incomes, will be increased from $2.25 to $2.95.

The telephone rate increases were authorized June 22 by the California Public Utilities Commission.

Even with the increases, exchange rates still remain the lowest in the nation.

Municipal Court Judge Talbot Retires

Berkeley - Albany Municipal Court Judge Floyd C. Talbott announced his retirement last week because of the condition of his health. Judge Talbott, 63, has undergone a series of eye operations in recent months.

Judge Talbott has been a judge of the Berkeley-Albany Municipal Court since his election to that position in 1958. He has repeatedly been presiding judge, most recently in 1969, and has heard many cases which attracted wide attention. Among these are the mass arrests at the time of the People's Park disturbances in 1969 and most of the rent strike litigation last year.

Commenting on Judge Talbott's retirement, Presiding Judge Mario H. Barsotti said: "Judge Talbott will be very much missed by all of us. He is an outstanding judge whose great ability, calmness and fair mindedness contributed enormously to the community and to our court throughout our most difficult years. He put into daily practice the highest ideals of fair, speedy and even-handed administration of justice. We regret more than we can say that serious and continuing eye problems have led him to retire."

Parks and Rec Activities

The third session of Albany Parks and Recreation Department Day Camp will begin on Aug. 2 to Aug. 13.

The program is held at Memorial and Terrace Parks and includes cooking, dramatics, games, major sports, trips and arts and crafts.

Children, ages 6 to 12, inclusive can be registered at the Albany Recreation Department, 1000 San Pablo Ave.

The fee is $15 for a resident of Albany and $20 for non-residents.

The Peter Pan Club, sponsored by the Albany Recreation and Parks Department, is operated daily from 10-12 p.m. at the Albany Community Center in University Village.

The program is designed for children ages 5-7. The activities are varied and include drama, music, games, trips and story-time. Arts and crafts play an integral part in the program.

Children can be registered at the Community Center or the Recreation Department office.

Bernice Boyd Honored for 25 Years With Security Savings and Loan Assoc.

About 100 business associates, fellow club members, friends and relatives attended a luncheon at Serb's July 19 for Bernice Boyd, manager of the Albany branch of Security Savings and Loan, on the occasion of her 25th anniversary with the firm.

Her first "boss," William J. Bowman of Piedmont, first owner and president of Security Savings, noted that he had hired Bernice on June 26, 1946, as a clerical teller. She had planned to work two years, until her husband, Carroll, received his MA at the University of California in psychiatric social service.

Hal Denham, manager of Albany Chamber of Commerce, was master of ceremonies. Mrs. Boyd is treasurer of the board and has been a Chamber director for many years. Denham introduced everyone, including a table of directors of California Financial Corporation and its subsidiary, Security Savings and Loan; former employees of Mrs. Boyd, representatives of City Hall, including Mayor and Mrs. H. F. Call and Councilman Joe Carlevaro, Chamber of Commerce President Ralph Hill, Chief of Police Ralph Jensen, City Finance Officer Bette Rhodes, who also heads the Soroptimist Club of which Bernice is past president and longtime member, Administrative Officer James B. Turner, Treasurer Marietta Ferreira, Senior Citizen Center Director Beulah Belling, President Jeanne Hatfield and many Seniors, including one who is 87 years old; Soroptimists, members of Alberito Business and Professional Women's Club, and Bernice's husband, among others too numerous to identify.

Mayor Call spoke on behalf of the City and Albany Attorney Robert Foley, a member of the CFC board, spoke on behalf of that group as a "home town boy."

Bernice was presented with a plaque from Security Savings by William B. Ross, president of SS and L Association; opal earrings set in old gold, from everyone who attended; a stainless steel fondue set from the board of the Chamber of Commerce, and a sterling silver ash tray from a friend.

A native of Georgia, Mrs. Boyd was assistant cashier at First National Bank there before coming to Salinas, Calif., when her husband was in the service. She worked as a teller in a bank there before accepting "temporary" employment at Security Savings in 1946.

In Albany, she has been involved in everything that was for the good of the city and its residents, including the Senior Citizen's Foundation, the group that first started working to make the Senior Citizen Center a reality.

"I love Albany and its people," Bernice told the audience. "I feel this is an imposition. . . . I owe Albany; you don't owe me. . . . You made my job.

"It has always been my heritage to stand erect, strong and unafraid. Today I am humble, weak and afraid and not able to think for myself. . . ."

She thanked everyone who attended. Since the luncheon, she has been hearing from friends who were unaware of the affair, as well as others who bought tickets but were unable to attend.

"It's been wonderful," she said.

Ray DeJong to Head North All-Stars

Ray DeJong, Albany resident since 1948, will be co-coach for the North All-Stars in the annual North-South Shrine game played July 30 at the Memorial Coliseum in Los Angeles and featuring the top high school football talent in the state.

Football has been a part of Ray for many years. He started at guard for Pappy Waldorf at the University of California and played in two Rose Bowl games.

Ray accepted the head football coaching position at South San Francisco High School after graduating from UC and has been coach there ever since. DeJong's teams have won many championships and he has won the Peninsula 'Coach of the Year' award several years in a row.

DeJong's wife, Jean, is a lifelong resident of Albany and their two children, Jim and Dave, attend local schools.

The North is favored to take this year's battle in which all the proceeds go towards maintaining the Shrine Hospital for crippled children in Los Angeles.

WARNING...

The California Bureau of Food and Drug has issued a warning to the public against the use of electric worm probes since two cases of electrocution have occurred from use of these "probes," stated Harold Van Coops, Deputy Health Officer.

Worms crawl to the surface when they are subjected to an electrical current between probes thrust into damp ground.

An estimated 3,000 such devices have been sold and many more home-made. All are considered dangerous, warned Van Coops.

Note of Thanks

The family of Julius B. Roth wishes to thank the Albany Fire and Police Department for their prompt and careful assistance when called on June 27. We also wish to express our appreciation to the staff of Ellis-Olson Mortuary and neighbors for their kindness during our time of sorrow.

Note of Thanks

My words are few but the feeling is DEEP when I say a big "Thank You" to all of my dear friends who helped to make my 25th anniversary with the Security Savings and Loan Association a never-to-be forgotten occasion.

To all of you who planned and were able to attend the lovely luncheon, to those of you prevented from attending due to circumstances, and to the remainder of my friends who were unaware of the event but have since contacetd me, my heartfelt thanks and may God bless each and everyone of you!

I felt that there must have been some reason why the 1409 letters, cards, messages and gifts encouraged me to pull through my recent illness. I know now that it was so I could always cherish the memories of such a grand anniversary tribute.

Editor, the Times:

Why all the uproar about the Solano Avenue project?

It was the expressed desire of the businessmen and the City of Albany to beautify Solano Avenue, to get better lighting, and to make it safe for the pedestrian traffic that uses the avenue.

The City Council, after eight years of planning and open meetings, is doing what we, the citizens of Albany, asked them to do. They are definitely providing better lighting, a more beautiful avenue, and a safer place for the pedestrian who would use the avenue for shopping and business.

There will be trees and plants, benches and shelters and indirect low line lighting to enhance all that is being done. I am sure that when our mayor and city council see the completion of the project, that Solano Ave. will be the street we all really want, a street of beauty, and a functional street safe for all to use. Let's all give it a chance.

Editor, the Times:

I refer to George A. Mack, Jr.'s letter in the July 14 Times about the "beautification?" of Solano Avenue. He has expressed my sentiments exactly, only much better than I can.

Mutilating a street in such a manner is an outrage. What kind of engineering is that? Solano Avenue is now a virtual death trap.

MRS. JOHN W. THOMPSON

Copy of letter to
Mayor H. F. Call:

I hope you and your staff read the Albany Times of yesterday and the statements of Mr. G. A. Mack, Jr., and Mr. Joe Ritkey regarding those half moons on Solano Ave. I agree with them and I am sure many other people in Albany feel the same way. I do not know those gentlemen, but you people are building a bad hazard for all drivers. Now the Council says, "Let's wait and see." Some deal, and while you folks are waiting and seeing, who picks up the pieces of dead and injured? It will be our nice police department, Mr. Jensen and his boys, who have done a nice job reducing accidents which the record will show. I have driven a car since I was 20 years old and now past 70, have never been in an accident or killed even a jack rabbit. Will admit have had tickets for overtime parking, which could happen to anyone.

Now just imagine you or your staff being called on an emergency with a police car or the fire department going up Solano Ave. and trying to miss those half moons, well maybe your staff could do it. After 50 years on a railroad, twice I have had to rip my shirt off my back to tie up a fellow workman with a cut off leg and arm to keep them from bleeding to death. After they are hauled away then you go out and vomit, so think it over gentlemen, safety first, is first, now and always, also mentioned in the meeting, too late now, the contract is signed. OK, pay him off, and stop the moon deal, rip out the moons and the people that goofed let them pay for the job badly done. I feel that a person who does not goof at times don't do nothing. Another thing, some of my friends who live in Albany and work in San Francisco and Oakland are using University Ave. and doing their shopping in Berkeley to avoid Solano Ave. Of course the merchants in Albany will not understand that until the cash register slows up. Good bye and good luck.

Yours,
W. E. EASTMAN

My Word...

(Continued from Page 1)

ARTURO of the beauty shop of the same name on San Pablo Ave., is not ashamed of being proud to be an American. Although this is his adopted country, he has fought for it and says he would die for it for the many opportunities it has afforded him. This has to be one of the happiest men alive. He sings to his customers, sometimes breaks into a dance, greets everyone who comes into the shop. If he has a gloomy side, nobody sees it. How wonderful to be that way.

BERNICE BOYD was reduced to unashamed tears a week ago Monday when she discovered so many people she loves waiting to honor her on her 25th anniversary with Security Savings. The banquet room of Serb's was jam-packed with well wishers and many of us worried that to be so excited or emotionally upset would not be good for Bernice, who had a heart attack last year. Typically, she recovered and by the end of the luncheon, she was enjoying it as much as anyone. She had told them she would resign if they tried to do anything for the occasion, so it had to be a surprise. (She didn't resign.)

BERNICE wants you to know she has a special medal on display at the bank. It was given to Larry Baum's grandfather, Lorin John Paulk, a member of the 12th Regiment of New York, by President Abraham Lincoln in 1861 for his action in the Battle of Bull Run. He was one of 12 wounded and captured during the Battle of Antietam. They were known as "The Dirty Dozen."

STAR SEWING CIRCLE

The Albany Star Sewing Circle will meet Aug. 5 at the Albany Temple, 533 San Pablo Ave., 10 a.m. This will be a work day under the supervision of Clytie Searley, president.

SENIOR CITIZENS

By Kay (Sis) Haesloop

Four more days and it is our "Good Bye" to July and "Hello" August, not "Hello Dolly." Incidentally, did you "Drop In" and see our "Babes?"

Today is our World Affairs at 3:30 p.m., Thursday, "Our Get Together" plus "Our Birthday Party." Friday, we have our Community Service at 10, then at 12:30 is the Bridge Party, and we will be closed Saturday. Sunday, Aug. 1, at noon, is coffee, cards and conversation. Monday at 11:30 is Ogleby Party and Tuesday at 10, our Craft Class.

Now a few nigh lights through the month of August: steam railway began in 1831; Panama Canal opened in 1914; Fulton steamboat in 1807; woman's suffarage in 1920; and Hawaii statehood in 1959.

Do you remember when?

Our City of Albany had their own "Powder Plants." At first it was brought to the West Coast, either from the East Coast or from Europe, it was getting unsafe so residents of California decided to build their own powder mills.

The first Giant powder company established here, "Rock House Canyon," was destroyed by an explosion, November 26, 1869. A new plant was built on sand dunes south of what is now Golden Gate Park in San Francisco. The second explosion took place, and the result was land was acquired on Fleming's Point, sometimes referred to as Clement Point, and now the site of the race track in the City of Albany, Golden Gate Fields.

the distinctive "kettle shape" tells you it's a WEBER covered barbecue. You improve flavor and tenderness of barbecued dishes 100% with a Weber. Natural juices and flavor are cooked in, not out.

WEBER kettles are built to last, can never burn or rust out. Handsome porcelain enamel finish is easily wiped clean. It's completely weatherproof. Unique Weber design uses separate grilles for charcoal and food.

adjustable dampers let you control heat. You slowly broil meats, fowl and fish rather than char them. Cooking is done by timing rather than watching, just like your inside oven. To top it all off you'll save so much charcoal, in a season or two your WEBER will pay for itself. Weber kettles are available in variety of sizes and bright colors.

LEGAL NOTICE

OFFICIAL NOTICE INVITING BIDS FOR THE PURCHASE OF BONDS, SOLANO AVENUE BEAUTIFICATION ASSESSMENT DISTRICT, CITY OF ALBANY, ALAMEDA COUNTY, CALIFORNIA, UNDER THE PROVISIONS OF THE MUNICIPAL IMPROVEMENT ACT OF 1913 AND THE IMPROVEMENT BOND ACT OF 1915.

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the City Council of the City of Albany, Alameda County, California, located at the meeting place of the City Council, 1000 San Pablo Avenue, Albany, California, at the hour of 8:00 P.M. on the 9th day of August, 1971, for the purchase of $27,314.08 principal amount of bonds for Solano Avenue Beautification Assessment District, City of Albany, Alameda County, California. Said bids will be publicly opened, examined and declared at said time and place.

These bonds are authorized to be issued, and the assessments are authorized to be levied, under the provisions of Resolution of Intention No. 70-107 of the City Council of the City of Albany adopted on the 21st day of September, 1970, and proceedings subsequent thereto. The Resolution of Intention provides with relation to said bonds as follows:

NOTICE IS HEREBY GIVEN that serial bonds to represent unpaid assessments and bearing interest at a rate of not to exceed seven per cent (7%) per annum shall be issued herein in the manner provided by Division 10 of the Streets and Highways Code, the Improvement Bond Act of 1915, the last installment of which bonds shall mature fourteen (14) years from the 2nd day of July next succeeding ten (10) months from their date.

MATURITIES AND AMOUNT OF BONDS: Said bonds will be in the amount of $27,314.08. All bidders, by submission of a bid, agree to purchase the total amount of bonds to be issued. The maturity schedule on the bonds will be as follows:

Bond Numbers, Inclusive	Maturing July 2 Each Year	Amount Maturing
1 to 2	1973	$1,314.08
3	1974	1,000.00
4	1975	1,000.00
5 to 6	1976	2,000.00
7 to 8	1977	2,000.00
9 to 10	1978	2,000.00
11 to 12	1979	2,000.00
13 to 14	1980	2,000.00
15 to 16	1981	2,000.00
17 to 18	1982	2,000.00
19 to 20	1983	2,000.00
21 to 22	1984	2,000.00
23 to 24	1985	2,000.00
25 to 26	1986	2,000.00
27 to 28	1987	2,000.00
Total —		$27,314.08

Note: Bond No. 1 is in the amount of $314.08, and all remaining bonds are in $1,000.00 denominations.

DATE OF BONDS AND INTEREST RATE: Bonds are to be dated the 2nd day of September, 1971, and will bear interest from said date. Interest rate is fixed in the Resolution of Intention at not to exceed seven per cent (7%) per annum. Such interest shall be evidenced by coupons attached to each bond, and each of said coupons shall represent six months' interest on the bond to which it is attached. The first coupon will be for interest from September 2, 1971 to January 2, 1973.

PURPOSE OF ISSUE: Said bonds are authorized to be issued by the City Council of the City of Albany, Alameda County, California, by Resolution of Intention No. 70-107 and proceedings subsequent thereto. The purpose is for the construction of improvements and acquisitions. These improvements are within the boundaries of the assessment district designated, "Solano Avenue Beautification Assessment District, City of Albany, Alameda County, California," and reference for details is made to the proceedings for the formation and completion of said assessment district.

PAYMENT: Both principal and interest are payable in lawful money of the United States at the office of the City Treasurer, City of Albany, 1000 San Pablo Avenue, Albany, California.

CALLABLE BONDS: All bonds are callable pursuant to the provisions of the Improvement Bond Act of 1915 twice each year. No bonds may be called except on July 2 or January 2 and there must be a sixty day notice of call. Any bond called will have interest to date of call and a premium of five per cent (5%) of the principal amount.

AUTHORITY FOR ISSUANCE: Said bonds were authorized to be issued by the proceedings in said assessment district and said assessment district was organized and consummated under the provisions of the Municipal Improvement Act of 1913 and bonds provided to be issued under the Improvement Bond Act of 1915 of the State of California.

SECURITY: Said bonds are payable from the redemption fund provided by law which is secured by all of the unpaid assessments within the boundaries of said district. Said bonds are further secured by a limited guarantee on the part of the entity which issued said bonds. Under the provisions of the Improvement Bond Act of 1915, any real property on which the owners have failed to pay installments of assessments as they fall due is sold for delinquencies by the City in the same manner as real property is sold for delinquent taxes. It is the duty of the City of Albany to bid such property in at such tax sale. It then becomes the duty of the City to transfer to the Redemption Fund the amount of the purchase. In the event there is not sufficient money in the General Fund to transfer this amount into the Redemption Fund, it becomes the mandatory duty of the City to levy a tax up to 10c on each $100.00 of assessed valuation of property within the boundaries of the City of Albany sufficient in amount to pay for the delinquencies. It becomes the continuing duty of the City, throughout the life of the bond issue, to levy such a tax and to pay for the installments upon property sold to the City for delinquencies. The maximum levy which the City is obligated to make in any one year is 10c on each $100.00 of assessed valuation. The assessed valuation of all taxable real property in the City of Albany for the fiscal year 1971-72 is $29,382,342.00. Ten cents on the $100.00 would therefore raise, in the City of Albany, the sum of $29,382.34, which is more than sufficient to cover the maximum amount of principal and interest accruing in any one year of the bond issue if a ten cent (10c) levy should be necessary.

LEGAL OPINION: The legal opinion of the law firm of Sturgis, Den-Dulk, Douglass & Anderson, 1322 Webster Street, Oakland, California 94612, approving the validity of said bonds will be furnished to the successful bidder without charge. In the opinion of Counsel, interest on the bonds is exempt from all federal income taxes, and from State of California personal income taxes, under presently existing statutes, regulations and court decisions, and the bonds are also exempt from all California taxes except inheritance, gift and franchise taxes.

HIGHEST BID: Bidders are requested to name the interest rate or rates not exceeding seven per cent (7%) per annum in multiples of 1/8 or 1/20 of one per cent (1%). Each bidder must specify in his bid the amount and maturities of the bonds of each rate and all bonds maturing on the same date must bear interest at the same rate. No bid may name more than four interest rates, any of which may be repeated. No rate may be more than one and one-half per cent (1½%) higher than the lowest rate named in the bid. The interest payable on any bond on any interest payment date may, however, be represented by one or more coupons. A zero rate cannot be named for all or any of the time from the date of the bond to its stated maturity and the premium, if any, must be paid in the funds specified for payment of the bonds as part of the purchase price. No bid of less than par and accrued interest or for less than all of the bonds offered will be entertained. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the issuer, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities.

RIGHT OF REJECTION: The City of Albany reserves the right at its discretion to reject any and all bids and to waive any irregularity or informality in any bid. Any bid must be in strict conformity with this Official Notice Inviting Bids, and without any qualification.

PROMPT AWARD: The City of Albany will take action awarding the bonds or rejecting all bids not later than forty-eight (48) hours after expiration of the time herein prescribed for the receipt of proposals.

PROMPT DELIVERY: Delivery of the bonds will be made to the successful bidder at the office of the City Treasurer, City of Albany, 1000 San Pablo Avenue, Albany, California, as soon as the bonds can be prepared, but not earlier than the date of said bonds. Successful bidder, by making a bid, agrees to pay for and take delivery of the bonds within forty-eight (48) hours after notification by City that the bonds are ready for delivery, but bidder is not obligated to take delivery earlier than the date of the bonds. The successful bidder shall have the right at his option to cancel his offer to purchase if the bonds are not tendered for delivery within 45 days from the date of the bonds.

FORM OF BID: All bids must be for not less than all of the bonds herein offered for sale. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the City Clerk of the City of Albany, and endorsed "Proposal for Bonds, Solano Avenue Beautification Assessment District, City of Albany, Alameda County, California."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $1,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the City of Albany to secure the City of Albany from any loss resulting from the failure of the bidder to comply with the terms of his bid.

Check of the unsuccessful bidders will be returned by mail upon the award of the bonds. Check of successful bidder will be credited upon the purchase price of the bonds, and no interest will be paid upon the deposit of any successful bidder. Check of the successful bidder will be forfeited to City if the bidder fails to pay for and take delivery of the bonds within the time provided for in this notice as liquidated damages.

NO LITIGATION CERTIFICATE: The City of Albany will furnish to the successful bidder, at the time of the delivery of the bonds, a no-litigation certificate, certifying that there is no controversy or litigation pending or threatened concerning the validity of the bonds.

DATED: July 19, 1971.

SARAH BROCKWAY,
Acting City Clerk, City of Albany, Alameda County, California.

1101A—Publish July 21, 28, 1971.

THE PHONE BOOTH

A phone left off the hook—either by accident or on purpose—can prevent urgent calls from reaching you. Getting a busy signal when you're trying to call someone can be annoying at the best of times, but the situation could be serious when someone's trying to reach you in an emergency. Checking your phone now and then to make sure it's hung up properly is good insurance against losing incoming calls.

At last count, there were something like 124,000 pay phones in California. And now each one of them has an address card that tells you where it's located. Knowing the street address of a pay phone could come in handy—like when you're reporting an emergency and need to give the exact address quickly. Or when someone is coming to get you and they ask where you're calling from. These location cards are just one way we've tried to make our pay phones more useful to you.

I'd just like to remind you that dialing direct is the fast way to make a long distance phone call. And all you have to do to dial direct is dial the Area Code (if it's different from your own) plus the phone number of the person you're calling. To find Area Codes for the entire United States, just check the front pages of your phone book.
